Viral Source Review Pack

If you are doing business online, you would know how important list building is...for the simple fact that by having an email list to market to as an affiliate is one of the fastest ways of making online profits.

Viral Traffic is a software builds your list without using the traditional squeeze pages. This tool uses the power of social media and Facebook notification as the push factor to send messages to the subscribers.

It is a fact that the open rate of Facebook notification is way higher than emails....so your message gets seen by more subscribers than if you were to use email.

The first thing that impresses me when few tested driving this tool is that it was so easy to use. Though the process looks complicated, the dashboard of the tool makes it easy for you to prepare your campaign.

WP Slideshow Master

<https://drive.google.com/open?id=1cvfyil51taNIWFaSc-zOAPB-upvNXn1G>

Create Eye Catching, High Impact Flexible Slideshows In Minutes!

Slideshows are a very nice way to present lots of visual content to site visitors. But making them interactive allows visitors to participate with your content..

It has been proven over and over that site content is much more likely to be shared on social networks, IF you make it easy for visitors to do so. Each one of your slides can have social media sharing buttons to the most popular platforms.

WP Slideshow Master is a brand new and powerful WordPress plugin which allows you to create eye-catching, high impact flexible slideshows that will impress your visitors. This day and time you need 'eye candy', along with quality content to maximize your chances of transforming visitors into customers.

What if you could fix the following issues within minutes:

- Link slides to YouTube videos
- Social media sharing on each slide
- Tweak settings to fit any layout
- Place mostly anywhere with shortcodes

If you're serious about the SEO of your site then you simply can't afford not to use Backlinks Analyzer!

This Software Is SUPER EASY To Use:

Step 1. Enter Your URL

Step 2. Paste in all your backlinks URL's

Step 3. Click Start

Rapid Lead Magnets

https://drive.google.com/open?id=1aHGMyul5jExohATzQoo556sUi3pA6Wb_

How to create quick & easy 'Lead Magnet' funnels you can use to build targeted lists and attract buyers! Lead Magnets are basically things that you'll give away for free in exchange for an email address so that you can follow up with a visitor or subscriber and ultimately get them to build a relationship with you and build rapport. In that way, you will be able to sell them your front and offers. As long as everything is congruent and related to each other, you should have very high conversion. Think quality over the amounts of the lead magnets that you have.
